Withdrawal of clarification-I dated 05.09.2011

This Directorate vide F.No. DE-2009-2011/ITO/SCT/Availed Benefits/DIT had issued clarification-I dated 05.09.2011 in respect of awarding the Grace Marks to the result of those SC/ST candidates who have already qualified in the past with relaxed standards so as to enable them to attain the "OWN MERIT STATUS". As this clarification has delegated the job of application of Grace Marks Policy to eligible candidates for promotion as a ITO/ITI to DPCs, many anomalous situations have been reported to have arisen out of various interpretations of application of Grace Marks Policy by various DPCs resulting into grievances and representations.

In view of these facts, this clarification-I dated 05.09.2011 stands withdrawn with immediate effect with the approval of CBDT.
