**To
The Chairman,
Central Board of Direct Taxes,
North Block, New Delhi**

Respected Sir,

Sub: Grievances of the employees pending since long without any Resolution
- Regarding

At the outset, we would like to offer our sincerest thanks to your goodself for organizing the virtual meeting on 28.07.2021. In the first introductory meeting held on 22nd June, 2021, you conveyed that you need reasonable time to have a clear understanding of our issues and the best possible solutions. It was further assured that our suggestions would be considered favorably. It emerged as a ray of hope for early resolution or at least, certain positive developments in respect of some of our pending issues within a very short period. But, unfortunately, we are deeply disappointed at the developments made in those issues so far, as evidence from the briefing by the official side during the virtual meeting.

Attention is once again drawn to the fact that our members have been waiting for resolution of so many genuine issues for such a long time and so, they have gradually been feeling depressed and demotivated, which is not at all good for the Department like us at this juncture. But they cannot be blamed for such negativity, as we too believe that many issues could have been dealt with in far more effective manner for early resolution, if so desired by the CBDT authorities.

We, therefore, request your goodself once again that pressing issues like **considering of ICT applications, conducting pending DPCs after recasting the seniority as per clarification dated 12th February, 2021 of CBDT**, notification of RRs, change of duty list of MTS and examination related issues etc. may kindly be taken up in right earnest for early settlement. It is once again reiterated that a time frame should be

fixed for recasting of seniority prospectively as per the instruction dated 12th February, 2021 so that promotions to the cadre of ITO and below are not delayed further.

Sir, We have complete faith in your goodself. We sincerely believe that your proactive intervention will pave the way of resolution of legitimate issues before **14th August, 2021**, thereby obviating any need for embarking on any agitation programme.

With regards,

Yours sincerely,

(RUPAK SARKAR)
Secretary General
